

Safe harbor statement

The following is intended to outline our general product direction. It is intended for information purposes only, and may not be incorporated into any contract. It is not a commitment to deliver any material, code, or functionality, and should not be relied upon in making purchasing decisions. The development, release, timing, and pricing of any features or functionality described for Oracle's products may change and remains at the sole discretion of Oracle Corporation.

Statements in this presentation relating to Oracle's future plans, expectations, beliefs, intentions and prospects are "forward-looking statements" and are subject to material risks and uncertainties. A detailed discussion of these factors and other risks that affect our business is contained in Oracle's Securities and Exchange Commission (SEC) filings, including our most recent reports on Form 10-K and Form 10-Q under the heading "Risk Factors." These filings are available on the SEC's website or on Oracle's website at <http://www.oracle.com/investor>. All information in this presentation is current as of September 2019 and Oracle undertakes no duty to update any statement in light of new information or future events.

About Blockchain

"More than 2,500 patents have been filled in the last 3 years"

The World Bank

"Blockchain's business value-add will grow to slightly over \$360 billion by 2026, then surge to more than \$3.1 trillion by 2030"

Gartner
June 2018

"The technology most likely to change the next decade of business is not the social web or even artificial intelligence. It's the blockchain..."

Harvard Business Review
May 2016

Pan·a·ce·a

/ˌpænəˈsiːə/

noun

noun: **panacea**; plural noun: **panaceas**

a solution or remedy for all difficulties or diseases.
